Eksjö fire museum

The Rescue Services Fire Museum is located in the Old Town on Östra Bakgatan in Eksjö. The museum has a solid collection, with everything from stirrup pumps to old emergency vehicles, which have been a natural part of Eksjö's fire prevention history. Here you will be able to feel the atmosphere as you walk through history. During your visit, you will gain insight into how the fire department's work has changed and modernized throughout history.

To visit the museum, contact the rescue service in Eksjö municipality by phone 0381-368 81.
